

## LOWER GWYNEDD TOWNSHIP: OFFICE OF THE FIRE MARSHAL

### FIRE ALARM PERMIT

#### FIRE ALARM PERMIT APPLICATION INSTRUCTIONS:

Fire Alarm System must be designed in accordance with NFPA 72 and the 2009 edition of International Fire Code. The fire alarm system design and installation shall be by a recognized Fire Alarm Contractor who is an experienced specialist in design and construction of fire alarm systems.

#### Fire Alarm Permit applications must include all of the following information:

1. Three (3) sets of NICET Level III or IV sealed design documents/prints
2. Three (3) copies of the battery calculation data report
3. Cut sheets for all devices, appliances and fixtures to be installed
4. Drawings of wiring diagrams and voltage calculations

Permit application form must be completed and submitted as part of the plan package along with registration for a Lower Gwynedd Contractor's License with a valid certification of insurance naming Lower Gwynedd Township as the Certificate holder.

All required documentation and materials must be submitted as a complete package. Fire Alarm Plans that are submitted will be reviewed by the Fire Marshal. The Fire Marshal must be contacted to perform all required inspections as outlined by NFPA 72 during installation of the system.
