## **Lower Gwynedd Police Part of Aggressive Driving Enforcement**

In cooperation with municipal police departments from across the state, Lower Gwynedd Police will target aggressive driving in an effort that will continue through April 25, 2021.

Police will look for motorists exhibiting aggressive-driving behaviors such as speeding, distracted driving, and work zone violations. Motorists exhibiting other unsafe behaviors such as driving too fast for conditions, following too closely, or other aggressive actions will also be cited.

Officers will use traffic enforcement zones, saturation patrols, speed enforcement details, corridor enforcement, work zone enforcement, and multi-jurisdictional patrol strategies to identify and cite aggressive drivers.
