

The Lower Gwynedd Township Police Department has implemented both a Home Security Survey and Business Security Survey program.

This program provides residents of the Township the ability to contact the Lower Gwynedd Police and arrange for the scheduling of a Lower Gwynedd police officer to come to a residence/business and conduct an analysis of your current home security measures and address what is being done correctly by you and your family as well as improvements that can be made.

You may conduct the analysis on your own and either improve deficiencies that are discovered on your own or you may decide to have a Lower Gwynedd officer come to your home and consult with you on the results of the Security Survey. Business establishments in the Township may contact the Lower Gwynedd Police and have an analysis of their store or facility in the areas of crime prevention, security, workplace theft, workplace safety and have an opportunity to update emergency procedures as well as contact information between the business and the Lower Gwynedd Police.

To schedule a Business or Home Security Survey - contact us at 215-646-5303 or email: LGPDCRU@lowergwynedd.org
