

Lower Gwynedd Report

CHANGING OF THE GUARD

CHIEF PAUL D. KENNY

There has been a changing of the guard in the Lower Gwynedd Police Department! Paul D. Kenny was sworn in on May 28th, as Lower Gwynedd Chief-of-Police. The new Chief brings a wealth of knowledge and experience to his post, having served the community since 1985. Chief Kenny has worked his way through the ranks as a Patrolman, Juvenile Officer, Detective, Detective Sergeant, and Patrol Lieutenant.

Chief Kenny holds a B.S. degree in Criminal Justice from Gwynedd Mercy College and is a graduate of the FBI National Academy, and has attended the prestigious Northwestern University Institute for Command and Leadership. We welcome our new Chief and wish him success and many years of service.

LIEUTENANT BRUCE HAMES

In other news, on June 25th, the Police Department promoted Sgt. Bruce Hames to replace Chief Kenny as the Departments' Lieutenant. Lt. Hames started his career in 1977 with Ambler PD and was hired by LG, along with Chief Kenny, in 1985. His most recent assignment was as the department's "Administrative Sergeant" a position he has held since 2011.

ABINGTON HOSPITAL CONSTRUCTION UPDATE

Abington Memorial Hospital received Township approval in July, 2013 to construct a 15,086 sq. ft. professional office building at 605 – 613 North Bethlehem Pike in Lower Gwynedd. The property was formerly used for a residence and a plumbing business. It has been vacant for the past ten (10) years. The building will house medical offices. The building is being designed by the Francis Cauffman which has designed many health care facilities in the Northeast region. Abington will turn what has been an abandoned property and eyesore into an attractive facility that will help serve our community's health care needs. The project is scheduled for completion in July 2014.

125TH ANNIVERSARY FOR NORTH PENN FIRE COMPANY

The Township is blessed to have two volunteer fire companies that provide protection and other emergency services to its residents. The two fire companies are Wissahickon Fire Company and North Penn Fire Company. North Penn Fire Company generally serves the area of the township west of Evans Road.

The North Penn Volunteer Fire Company is celebrating 125 years of organized fire fighting in the North Wales/Gwynedd communities this year.

The fire company history records show that fire protection was first discussed by citizens as early as 1861 and several failed attempts were made to organize a fire brigade while North Wales was just a village in Gwynedd Township.

Finally on September 7, 1888 citizens discussed the matter again following several large fires, including one that destroyed the Spring House Hotel. The discussions that day caused North Wales, an incorporated borough since 1869, to order hose, nozzles, a hose carriage and a building. This equipment was used by the newly formed North Wales Hose Company # 1.

The Hose Company became the North Penn Volunteer Fire Company and we have been recognizing the anniversary throughout 2013 with several different events.

We started at our annual banquet in February with a history reading and artifacts display. We held a 5K Benefit Race in May, which will now be an annual event and had a picnic in June.

The final event planned is an old fashioned antique fire apparatus muster on Sunday September 8, 2013 at the Pennbrook Middle School property off Hancock Road.

The North Penn Volunteer Fire Company thanks all of the citizens, (past and present) of the communities we serve for your continuing assistance and support.

NOTES FROM THE FIRE MARSHAL

Fall brings increased growth of vegetation. While the landscape is beautiful, please remember:

- Keep your house number cleared so it is visible and readable from the street.
- Do not use landscaping to hide a fire hydrant. The Fire Company may need that hydrant in a hurry.
- Keep bushes and trees trimmed on long driveways to allow a 12 foot high and 12 foot wide clearance for apparatus.

Fall also brings hurricane season. The last two years have been marked by significant storms. As a reminder:

- Keep at least a days supply of water at your home for emergencies.
- Have a flash light and batteries where you can find them.
- Do not approach any downed wire. Assume that it is powered. Report power outages to PECO immediately—don't assume that your neighbor already called.
- Make sure that you have had fire alarm systems and other critical equipment serviced. Fresh batteries are a must.
- If you are using a generator—keep it outdoors. Running a generator indoors creates carbon monoxide and will make you very sick or worse.
- While the storm is active, please stay home. If you must drive, do not drive into flooded areas or stream overflows. In addition to being against the law, driving into water is dangerous.

OPEN BURNING

No issue seems to garner more interest and reaction than Burning in the Township. With an eye toward Autumn and the desire to clean up our yards, here are some key items regarding Burning:

The following **CANNOT BE BURNED AT ANY TIME** in Lower Gwynedd Township:

- Garbage; Household, Business or Industrial Trash or similar waste; or
- Leaves; or
- Any kind of recyclables (paper, metals, cardboard, etc)

The following **MAY BE USED** under proper conditions and adherence to distance requirements:

- BBQ and cooking grills, chimineas and/ or outside fireplaces.
- Any device must have a UL listing for burning use.

OPEN BURNING, which is the use of anything other than cooking, chimineas or outside fireplaces may only be done during the months of April, May, November & December.

OPEN BURNING REQUIRES THE FOLLOWING:

Advance permission—received by calling the Township at 215-646-5302 at least one (1) business day in advance of the burning. Any fire must be constantly attended by an adult with a fire extinguisher or hose.

Open burning can only be done between dawn and dusk. All fires must be **COMPLETELY EXTINGUISHED** by dusk.

Recreational burning—campfires, picnicking and similar uses is permitted with advance permission—received by calling the Township as per open burning. Recreational fires are limited to 3 feet in diameter, 2 feet in height.

Bonfires—for special events, other than open burning and larger than recreational fires, Bonfires will be permitted at any time during the year with advance written request and approval.

The Township Fire Code Official, Fire Company Officer or Police Officer is authorized to order the complete extinguishment of any burning if that burning creates or adds to an hazardous or objectionable situation.

TOWNSHIP ROADS & PAVING

Ever wonder how Lower Gwynedd Township selects which of its 49.5 miles of roads will be paved? You may be surprised to know that Public Works Director Michael DeStefano employs a very objective process to determine the roads to include in the annual paving program. Mr. DeStefano evaluates all township roads semiannually, once in the spring and once in the fall. The Township uses the PASER Asphalt Road Manual to evaluate their condition. The PASER System is based on a 10 to 1 scale with 10 being a newly constructed roadway and 1 being a roadway that is in complete disrepair. The following four conditions are used, Surface deformation, Cracks, Surface defects, Patches and potholes. Roadways that are paved are at the end of their life cycle and require significant maintenance. A properly constructed roadway will last on average between 15 to 20 years and often longer when properly maintained. The Township spends approximately \$500,000 dollars annually for repaving.

SANITARY MANHOLE MARKERS

Lower Gwynedd Township has over 80 miles of sanitary sewer main and 1900 sanitary manholes which it is responsible to maintain. These sanitary manholes and sewer mains are located in roadways, right of ways and yards. To help identify the sanitary sewer manholes and mains if a problem were to occur the Township Public Works Department has been installing these markers at every manhole within the right of ways of the Township to inform the public on who to contact in case of problem. If you ever come across a manhole with this placard and you notice a problem please contact Lower Gwynedd Township Public Works Department.

BATS

As with many friendly critters in our ecosystem, nighttime bats are essential and fragile creatures that need special care. If you have ever gotten too many mosquito bites during a warm summer day, then perhaps there are not enough bats in the area. Even small bats can eat up to 1,000 mosquitoes in a single hour! Bats help keep things in check for us humans.

As amazing as bats are, almost all American species of bats have experienced a 40% decline over recent years. We have encroached on their normal living spaces. We need to be more environmentally conscious and aware of our flying friends. Bats typically mean no harm to humans and will often avoid contact unless threatened. We can help restore bat populations through unique community efforts such as building bat houses, teaching environmental education initiatives and engaging in respectful stewardship practices.

DEER SAFETY

While we enjoy cool idyllic summer nights driving in our cars with the windows down, there are some important safety tips we need to be aware of while driving. Summer and fall are prime seasons for deer to wander around roadways, from approximately 6 pm to midnight and then early morning. Their mating season ranges from October to December, but they nonetheless pose a threat to unsuspecting drivers. Deer have become less and less afraid of humans. Deer are no longer startled by oncoming headlights; flashing your headlights, honking your horn and slowing down is the best. Never dangerously swerve to avoid deer

2013/2014 SOLID WASTE COLLECTION & HOLIDAY SCHEDULE

- On Tuesday, June 25, 2013 the Board of Supervisors granted a two year option extension to Waste Management (WM) for solid waste and recycling in the township at the current rate (\$89.88 per quarter) with all other aspects remaining the same.
 - Place trash at the curb no later than 6:00 AM on the day of collection, but no earlier than 7:00 PM on the prior evening.
 - Any resident with a bulk item shall contact WM for coordination and disposal prior to placing by the curbside. One bulk item per month is permissible at no extra charge to the contracted household; \$30.00 charge for each additional item.
 - Leaf and Yard Waste will be collected on eight (8) specific dates throughout the year (two (2) dates in the Spring; six (6) dates in the Fall). All waste must be placed in biodegradable bags and limited to eight (8) bags per pickup.
 - Recycling is all single stream- no sorting is required.
 - WM Holidays: *New Year's Day, Memorial Day, Independence Day (4th of July), Labor Day, Thanksgiving, Christmas.* Should your scheduled trash/recycling day fall on any of these holidays your trash/recycling will be collected the following "work" day.
- Waste Management's contact number: 1-800-328-1717.**

WHY?

Pet Waste is more than smelly and unsightly: it is a health risk to pets, creeks, lakes and people, especially children. Pet waste left on trails, sidewalks, streets and grassy areas are immediately flushed into the nearest waterway when it rains. Like human waste, animal waste may contain harmful bacteria and viruses, making the water unfit for irrigation, recreation or other uses. These bacteria and viruses can pose health risks to humans, such as Campylobacteriosis and Salmonellosis. In addition, pet waste contains nutrients that will speed up the growth of nuisance algae in lakes and rivers.

To report an illicit discharge to the storm water collection system or to a stream, creek or river call 215-646-5302.

BUILDING ON THEIR SUCCESS, THE LGBA ANNOUNCES PLANS FOR YEAR TWO

Lower Gwynedd Business Association.

When businesses in our community join together for a common purpose, there is no limit to what they can accomplish. In just their first year, the Lower Gwynedd Business Association (LGBA) has grown to 125 members, achieved a string of successes, and developed tremendous momentum for the foreseeable future.

The association's first project was to produce a user-friendly business map and directory to build awareness in the community and promote local businesses. Utilizing color-coded push-pin symbols, the directory helps area residents locate businesses for all their shopping needs. Available both in-print and online, the directory was designed with the needs of multiple generations of consumers in mind. You can view the interactive directory online at www.ILikethePike.com.

The group attributes much of their success to holding monthly meetings and communicating regularly with their members via email.

Among their numerous accomplishments this past year, the LGBA:

- adopted by-laws and elected a board of directors
- established committees for marketing, business development and signs
- hosted a business mixer at the Spring House Tavern in April, which was attended by more than 50 business owners and 3 Lower Gwynedd Township Supervisors organized an LGBA Business Expo at Siemens on May 15th where 30 local businesses plus Lower Gwynedd Township officials turned out to greet Siemens employees.

The LGBA has no plans to slow down, and is already filling up the calendar with events for the remainder of 2013.

Those events include:

- The Annual Lower Gwynedd Countrie Fair (**Saturday, Sept. 21st**)
- A Networking Event at The San Marco Restaurant (**Monday, Sept. 23rd from 5-7 p.m.**)
- The Foulkeways Scarecrow Festival (**October 5 from 11 am -3 pm**)
- The Janssen Business Expo (**November 13th**)
- Local Business Shopping Day (**Tuesday, Dec. 10th**) ~ A day of discounted shopping and special offers from retail shops and restaurants in Lower Gwynedd.

The LGBA is committed to the growth and success of local businesses and— in collaboration with the Township—strives to create a thriving and attractive destination for potential new businesses. Membership is free.

For more information on any of the events listed above, visit www.ILikethePike.com or send an email to LowerGwyneddBusinessAssoc@gmail.com.

Lower Gwynedd Chair Kathleen Hunsicker (center), with Governor Corbett (left) and State Representative Kate Harper (right) on July 31, 2013. The Chair asked for assistance from the Governor and Representative Harper to work with the Township to find another tenant for the DOW Chemical property on Norristown Road. The Township hopes that a similar Fortune 500 company will occupy the site, soon to be abandoned by DOW chemical.

Winner of six 2013 Tony Awards, including Best Musical

Charlie Price has suddenly inherited his father's shoe factory, which is on the verge of bankruptcy. Trying to live up to his father's legacy and save his family business, Charlie finds inspiration in the form of Lola. A fabulous entertainer in need of some sturdy stilettos, Lola turns out to be the one person who can help Charlie become the man he's meant to be. As they work to turn the factory around, this unlikely pair finds that they have more in common than they ever dreamed possible... and discovers that when you change your mind about someone, you can change your whole world. For mature audiences.

Nominate Citizen of the Year

Do you know someone who has served Lower Gwynedd so well that you think he or she should be Lower Gwynedd's 2013 Citizen of the Year? Last year, Phil Damm was chosen to receive this honor. A special selection committee will review residents' nominations and name this year's Citizen of the Year.

To make a nomination, write a one-to-two page letter describing how your nominee demonstrates a commitment to improving the quality of life in the township. Send your nomination by September 27, 2013, to:

Carole B. Culbreth
Lower Gwynedd Township
P. O. Box 625, Spring House, PA 19477
cculbreth@lowergwynedd.org • fax: 215.646.3357

Please remember to include your name and contact information. The winner will be announced at the annual Volunteer Appreciation Banquet on November 21, 2013, and will be featured in the next issue of the Lower Gwynedd Report.

Brett Dillon, a Lifelong Resident of Lower Gwynedd

"Brett could not have done a better job than she did in representing my parents in the sale of our family home in Lower Gwynedd. Every step of the way she put their interests first, before the listing, during the move and renovation, throughout the negotiations, she even represented for them at closing.... simply FANTASTIC! I could not recommend anyone more highly..." *Darin Lugat*
