Both Sandi F. and Kathy M. said the court surface repair is on hold until more favorable climate conditions.

**Rising Stars Homework Club after-school program:** Janine M. let us know that the BOS discussed the use of the Penllyn Woods Community Building for after school activities. The BOS is willing to offer the facility but will defer to a qualified individual or group to follow through with implementation.

**Summer Activities:** Camp registration is underway.

**Spring / Fall Activities:**

Fall Fest Update - Morgan H. has been helping Sandi F. line up vendors including food trucks and music. There were five vendors signed up as of the night of the meeting.

Sandi F. and Mitch met with the Little League concerning this coming season.

**Leola H.** expressed concern about the P&R meeting location. She felt the public might have a hard time finding the conference room or when someone Zooms into the meeting they might not be able to see both Sandi F. and Kathy M. It was decided to place a directional sign in the lobby and to re-orient the Zoom camera so that both Sandi F. and Kathy M. are in frame. When Sandi F. is aware of a large group attending the meeting or there will be a formal presentation she will line up the large meeting room.

**Meeting adjourned at 6:58 PM.**
