## Green Ribbon Trail

Map: A7, B6, C6, D6, D7, E7, F7, & G7

Miles: 21

Surfacing: Natural

Grade: Easy

This rustic trail is best for pedestrians, not wheeled vehicles. Uneven surfaces, stream crossings, and a variety of birds and foliage make this the perfect trail for nature enthusiasts. The Green Ribbon Trail begins in Upper Gwynedd and travels through Lower Gwynedd and other townships down to Fort Washington State Park. In Lower Gwynedd, you can park your car and pick up the trail at the train station off Plymouth Road or Penllyn Woods. Pick up a complete map of the Green Ribbon Trail from the Wissahickon Valley Watershed Association, [www.wva.org](http://www.wva.org), or 215-646-8866.
