Thank You Lower Gwynedd

The Township thanks the Public Works Department for its efforts during the region's biggest snow storm in nearly five years. Crews will continue to monitor roads and treat any conditions that develop.

Republic Trash Services were suspended during the snowstorm on Monday and Tuesday. An automated service call was generated and sent to all customers relaying the service interruption. If you did not receive an automated call informing you of the delay of service you should reach out to Republic Services Customer Service at phone number 215-723-0400 or their website is www.republicservices.com to update your account.

The Township wants to thank all our residents for their patience and cooperation while battling this three-day storm.
