NOTICE OF REQUEST FOR PROPOSALS: Lower Gwynedd Township, Montgomery County, Pennsylvania (the “Township”) is soliciting proposals for a firm or individual to serve as the Township Traffic Engineering Consultant for the Township commencing June 1, 2019 (the “Traffic Engineer Position”). The Township is located at 1130 North Bethlehem Pike in Spring House, Montgomery County, PA 19477. The Traffic Engineer Position involves providing the following services to the Township: traffic operations analysis, transportation planning, traffic impact fee studies, multimodal studies/plans, parking studies, land development and construction plan reviews, transportation engineering design, construction inspection, observation and management, funding strategies and grant assistance, boundary surveys, surveying, construction staking, preparation of easement documents, and attendance at certain Township meetings. All proposals for the Traffic Engineer Position must be submitted to the Township in a sealed envelope containing five (5) paper copies and one (1) electronic copy of the proposal. Instructions and specifications for the Traffic Engineer Position will be available upon request and at the Township Municipal Building, located at 1130 North Bethlehem Pike, Spring House, PA 19477. Proposals for the Traffic Engineer Position must be submitted to the Township no later than 12:00 PM EDT, Monday, April 29, 2019, after which no proposals will be accepted. Necessary insurances and all other requirements are listed in the instructions and specifications document for the Traffic Engineer Position located at the Township Municipal Building and on the Township website at [lowergwynedd.org](http://lowergwynedd.org). Questions received and answered by the Township about the Township Engineer Position may be published and added to the instructions and specifications documents. Proposals for the Traffic Engineer Position may be held by Lower Gwynedd Township for a period not to exceed sixty (60) days from deadline for the submission of the proposals for the purpose of reviewing the proposals and investigating the qualifications of those submitting proposals prior to awarding the Contracts for the Traffic Engineer Position. The Board of Supervisors reserves the right to reject any and all proposals and to waive any nonconformity deemed in the best interest of Lower Gwynedd Township. Craig McAnally, Township Manager.
