Lower Gwynedd Township EAC Meeting Agenda

February 10, 2021, 7 pm via Zoom Meeting

1. Call to Order, Attendance, Introductions for new participants or visitors
2. Review and Approval of January minutes noting action items and revisions
3. Chair Appointment
 - Appointment of Treasurer and Regular Member if needed
4. Treasurer's Report
5. Amended EAC Ordinance approved @January 26 Board of Supervisors meeting
 - New Ordinance number is 525 (allows for function of an EAC and governs the EAC)
 - Rea emailed a copy of the signed pdf document to all
 - Bylaws Adopted by EAC on January 21
 - Internal EAC document that can be amended or added to
 - Changes must be in compliance with Ordinance 525
6. Spotted Lanternfly
 - Consider plan of attack and outreach efforts for scraping of egg masses and eradicating nymphs very early spring
7. Battery Solutions
 - Rea contacted C/S and finally received a copy of the total types and pounds of recycled batteries 2020
 - Total pounds collected has been posted to website
 - Staff not always receiving appropriate paperwork. Jamie's email has been added to the list so hopefully the documents will begin to arrive via each empty shipping container received
8. Subcommittee Updates:
 - PFOS updates
 - Tree City
 - Follow up with Kathy?
 - If BOS votes to approve, we should start planning an EAC Arbor Day for spring (National Arbor Day is April 30, 2021)
 - Plastics Subcommittee updates

- Stormwater Management / Bird Town
9. EAC Polos and Water Bottles status
- Rea reached out to Jacket and things regarding price for reordering additional polos
 - We will not have to pay for the digitized logo since they have the logo on file
 - Once we know how many polos are needed, we can call to determine the cost
 - Rea picked up remaining polos from township building
 - Rich will take the remaining men's' polo
 - Maureen will take one of the remaining ladies' polos
 - We have 2 ladies large; 2 ladies medium and 1 Ladies small remaining
10. Spring Newsletters – due February 1
- Three articles submitted
 - So far, 2 of 3 have been posted to the EAC webpage. 1 more to be uploaded
 - Moving forward - submission due:
 - February 1 for spring newsletter
 - June 8 for winter newsletter
11. Information uploaded to EAC webpage:
- Recycling of broken Christmas lights (full strings)
<http://www.igreenrecycling.com/>
 iGreen Electronics
 250 Corporate Drive
 Reading, Pa 19605
- Radon article
12. New Business
- Melinda Wolff (attended January 21 EAC meeting) and will present to the EAC at the beginning of our March 10, 2021 meeting regarding Ready For 100
 - The presentation should take 20 minutes including Q&A
 - Regional Greenhouse Gas Initiative, or RGGI (sc.org/RGGI) is this something the EAC should look into? It dovetails with Ready For 100
 - Food Waste and Home Composting – new initiatives (revisited from GGC initiatives from years ago)
 - One of the articles submitted for spring newsletter introduced the topic of food waste and simple steps one can take to avoid food waste going to landfill
 - Extensive pieces and items to address regarding the impact of food waste and the entities who contribution to food waste
 - How to compost at home, what to compost and how to compost -fall newsletter article and uploaded to EAC webpage much sooner
 - Lisa to share her conversation with the owner of Back to Earth

13. Old Business / Webinars / Web links to Articles:

- Rea located the list of nominated township bird from Countrie Picnic event. The winner was Goldfinch; the second place bird was Northern Cardinal

Living near trees may prevent vascular damage from pollution
