

BOS-STATEMENT IN SUPPORT OF ISRAEL

It is with heavy hearts that we mourn the recent tragic events that have unfolded in Israel. Our thoughts and prayers go out to the people of Israel, especially to the victims and their families affected by the recent terrorist attack. We stand in unwavering solidarity with our friends and allies during this challenging time. As your Board, we want to assure you that our township stands firmly alongside Israel, condemning all acts of violence and terrorism that seek to disrupt the lives of innocent civilians. We must continue to work together to promote peace, dialogue, and understanding in our community and around the world. Lower Gwynedd Township has a rich tapestry of diversity and in times like these, it is crucial that we come together as a community to support one another, strengthen our bonds of friendship, and demonstrate our unwavering commitment to the values of freedom and democracy. Let us stand together as a beacon of hope and resilience in the face of adversity. As we move forward, we reiterate our support for Israel and our shared commitment to a world where terrorism has no place, where all nations can live in peace, and where the hopes and aspirations of every individual are respected and protected.
